Where Do You Want to Go?

In 2019, the Town of Windsor will develop a Transportation Master Plan, which will combine our Pedestrian and Motorized Transportation plans into one document. Look for opportunities to help us develop your transportation plan in 2019: tell us where you want trails, better crossings, safer routes to school, more bike lanes — tell us what you want! You will have opportunities to provide feedback on our website and at town events throughout the summer.
