LETTER FROM THE DIRECTOR

Eric Lucas, Director of Parks, Recreation & Culture

With daylight extending later each day, it is a telltale sign that spring and summer are here, which means there are a lot of fantastic programs, events, parks, and trails included in this guide just waiting on your participation! Additionally, with the warmer weather we anticipate the opening of two new neighborhood parks (Windshire and Village East), as well as the renovation of the Creamery into a makerspace, a new shelter at Main Park, and nearly a mile of new trail connecting CR 13 at Hwy 392 to Larimer County at River Bluffs and the Poudre Trail. Needless to say, we have a lot going on as we continue to strive to meet your recreation needs.

Lastly, we are undertaking a department strategic plan that includes a needs assessment survey. This plan will identify and map out the future of our parks, trails, open space, and recreation needs. This requires strong community outreach, and I hope that when this occurs you are eager to participate and let us know what you would like to see in regard to the future of parks, recreation, and culture in Windsor!
