Flag Football

Flag Football

The Windsor Flag Football league’s focus is to teach the fundamentals of football in a team setting. Each age group will be split into two different divisions: Draft or Open (if overall registration numbers allow). In both divisions, participants will learn football fundamentals, with the exception of tackling or blocking (non-contact league), with an emphasis of equal participation and winning being secondary. Teams play 5 vs. 5 and are scheduled for six games with an end-of-season playoff if scheduling constraints permit.

Draft Division

Players attend an assessment date. Players will be assessed on basic football skills and athleticism, and are placed on teams according to skill level and grade, with team parity as the main goal. Requests are not

SPORTS

Flag Football

guaranteed for practice location, practice day/time, or a specific coach. Teams are selected by the coaches with a player draft after the assessment.

Open Division

The Open Division is made up of teams with kids who want to register together as a team. To register for this division you must have already been contacted by a coach. Players in this league do not go through the assessment process. Individual players registered in the Open Division without a coaches consent will be moved to the Draft Division.

Coaches Wanted

This program relies on parent volunteers to coach. It's sad when kids miss out on the action because of a coaching shortage. Please contact us if you are willing to coach. Coaches pick their own practice schedule that accommodates their schedules. Call 970-674-3515 for more information.

Draft Division Assessments

Draft Division teams are formed through the player assessment process in an effort to create balanced teams. Players and coaches in the Draft Division should attend the assessment day to be assigned to a team. Assessments will be held at Chimney Park at 5:30 p.m. on the following dates:

- **Grade K - 1:** Tuesday, Aug. 13
- **Grade 2 - 3:** Wednesday, Aug. 14
- **Grades 4 - 5 and 6 - 8:** Thursday, Aug. 15

Requests

Draft Division coaches select their team through the assessment process; therefore, requests cannot be guaranteed for a child to be placed on a specific team, with a specific coach, on a specific practice day, or with another player. If you need a specific request, become a coach and enter your team in the Open Division.

Practices:

Practices begin the week of August 19, one hour each, two times per week. After assessments, a coach will contact you with your practice schedule. Practices can occur between 4:30 - 7 p.m. Monday through Friday at local area parks and schools.

Games:

Occur in Windsor on weekday evenings (Tuesday, Wednesday, and Thursday). Games start the week of September 9. Teams are scheduled for six games.

Location:

Practices and games are held in Windsor during weekday evenings. Some age groups may play games in the Fort Collins Flag Football League if less than a minimum of 30 players are registered for that division.

Grade: K - 8 (as of the current school year, fall 2019)

Registration Deadline: July 22 or until full

Min / Max: 1 team per division / 8 teams per division
