

Cindy Scheuerman – Candidate for District 2

I was born and raised in Northern Colorado and graduated from Colorado State University in 2000. My husband grew up in Windsor so we knew this is where we wanted to raise our two children who both attend Windsor High School. I own an insurance agency and have been serving on my agents association national board for the past four years.

I've always believed in actively contributing to my community so I have served in many roles over the years. I was appointed to represent District 2 on the Town Board in June of 2017. Prior to that, I served on the Town's Board of Adjustments & Appeals for over 5 years which gave me valuable experience with quasi-judicial hearings which is a vital piece of what the Town Board

does.

Helping in the school district has been a high priority for me since my oldest started school in 2006; I have held various roles over the years including PTAC officer, parent volunteer coordinator, Watch D.O.G.S. coordinator, fundraiser coordinator, WHS Booster Club Treasurer and WHS Booster Club Executive Director. I also served on the Weld RE-4 Long Range Facility Planning Committee for many years including several years as the chairperson.

In my free time I enjoy walking my two dogs and I love spending time with my family and friends. I want to continue representing District 2 on the Windsor Town Board to ensure growth is properly managed and infrastructure, especially related to traffic and water, is keeping pace.
