

David Sislowski – Candidate for District 6

Born and raised in Ohio, David moved many times for career and education, but thanks his wife daily for “dragging” him to Colorado. He fell in love with Windsor the first time he saw it back in 2007, and has lived here with his wife, Julie Babcock, and their adopted pup, Peanut, since 2015.

David earned his Bachelor’s Degree from Case Western Reserve University. After several years working as a college administrator, he returned to graduate school and earned his law degree from the University of Washington.

Most of David’s law career involved commercial transactions in corporate law departments. He rose through the corporate ranks to become Chief Legal Officer and Executive Vice President at two finance companies, a position he also held at Frontier Airlines and Midwest Airlines. It was during his time at Frontier that he first came to Windsor while working on a deal to locate a maintenance facility at the regional airport. He swore he would return someday. He retired from Johnson Controls as Chief Legal Officer of the energy efficiency unit in 2015, making the move to Windsor possible. He is currently a member of The 1812 Law Group.

David serves on the Windsor Board of Adjustment and Appeals, the Advisory Board of UNC’s Monfort College of Business, the Board of Water Valley Homeowners’ Association, and the Board of Water Valley Metro District No. 2. He volunteers as a legislative assistant for Colorado Representative Perry Buck and audits art and political science classes at CSU.
