

Jen Dionne – Candidate for District 4

I have lived in Windsor for 2 ½ years and am running for Town Board to serve my constituents and give back to this amazing community. After spending over a decade as a stay-at-home mom, I am Business Operations Manager for BTN Advisors and a coach at CrossFit Endure. I received my undergraduate degree in Economics from CU-Boulder and my master's degree in Finance from Brandeis University. My previous work experience includes banking and accounting. I have served on the Parks, Recreation & Culture Advisory Board here in Windsor and currently serve on the Board of Adjustment/Appeals. I think Windsor has done a great job in managing growth. I see my role as ensuring Windsor grows fiscally responsibly and in accordance with the Comprehensive Plan. My priorities include keeping the small-town feel and community of Windsor as we grow into one of the most desired and affordable places to live in Northern Colorado. My door will always be open to my constituents and what they think and feel regarding Windsor's policies moving forward. Fostering community events, managing traffic and construction concerns, promoting more affordable housing and business growth, and maintaining quality

education and amenities are my top priorities. I am married with three children, ages 14, 12 & 10. Places to find me around town: coaching my son's basketball team, running any 5k in or around Windsor, the pool at our wonderful Recreation Center, CrossFit Endure, or any coffee shop.
