SuperTots

SuperTots Sports

Since 2002, SuperTots has engaged kids, ages 2 to 5, in physical activity in a non-competitive environment that is safe and fun, above all else. SuperTots knows kids are

hardwired to learn through play and need to devote time and energy to recreation activities. For that reason, we've designed an engaging skill-building curriculum through which tots learn through a series of fun and beneficial games. They will acquire athletic skills and fitness, but also develop an interest and love of sports. A T-shirt and award giveaway are included in the fee.

Please visit www.supertotsports.com/colorado to register for camp and to find additional information.

Location: Windsor CRC

Age:

2 - 5 — Tuesdays 9:30 - 10:20 a.m. (2 - 3 year olds);
Tuesdays 10:30 - 11:20 a.m. (3 - 5 year olds)

Equipment: Comfortable clothing and water bottle

SoccerTots is our flagship program! Playable on almost any surface, these soccer-themed motor skill classes are very easy for youngsters to get into. Younger age groups focus on developing motor skills and self-confidence; older classes focus more on developing core soccer skills and personal focus and introduce an element of light competition. The instructor-to-student ratio is kept small to maximize individual development, and, above all else, we promote fun, fun, fun!

HoopsterTots classes focus on dribbling, shot technique, passing, and team work. Adjustable hoops and appropriately sized basketballs are used to always provide just the right amount of challenge!

BaseballTots is a development program for kids ages 2 through 5 that uses a variety of fun games to engage kids while teaching the sport of baseball and developing fundamental skills. The goal is to build fitness, muscle coordination, and baseball fundamentals, as well as to create a love of the game.

VolleyTots classes focus highly on gross motor skills, agility, reaction, and teamwork, while teaching basic volleyball skills like bumping, setting, and serving. We use balloons and beach balls to ensure volleyball at this age is fun, above all else.

Flag Football

Flag Football

The Windsor Flag Football league's focus is to teach fundamentals of football in a team setting. Each age group will be split into two different divisions of Draft or Open (if overall registration numbers allow). In both divisions, participants will learn football fundamentals with the exception of tackling or blocking (non-contact league) with an emphasis of equal participation and winning being secondary. Teams play 5 vs. 5 and are scheduled for six games with an end-of-season playoff if scheduling constraints permit.

Draft Division

Players attend an assessment date. Players will be assessed on basic football skills and athleticism, and will be placed on teams according to skill level and grade with team parity as the main goal. No requests can be made for practice location, practice day/time, or a specific coach. Teams are selected by the coaches with a player draft after the assessment.

Open Division

The Open Division is made up of teams with kids who want to play together as a team. To register for this division it is highly recommend you have already been contacted by a coach prior to registration. Players in this league do not go through the assessment process. Individual players registered in the Open Division and not assigned to a team will be moved to the Draft Division.

Coaches Wanted

This program relies on parent volunteers to coach. It's sad when kids miss out on the action because of a coaching shortage. Please contact us if you are willing to coach. Coaches pick their own practice schedule that accommodates their schedules. Call 970-674-3515 for more information.

Draft Division Assessments

Draft Division teams are formed through the player assessment process in an effort to create balanced teams. Players and coaches in the Draft Division should attend the assessment day to be assigned to a team. Assessments will be held at Chimney Park at 5:30 p.m. on the following dates:

- **Grade K - 1:** Monday, March 11
- **Grade 2 - 3:** Tuesday, March 12
- **Grades 4 - 5 and 6 - 8:** Wednesday, March 13

Requests

Draft Division coaches select their team through the assessment process; therefore, requests cannot be guaranteed for a child to be placed on a specific team, with a specific coach, on a specific practice day, or with another player. If you need a specific request, become a coach and enter your team in the Open Division.

Practices

Practices begin the week of March 18, one hour each, two times per week. After assessments, a coach will contact you with your practice schedule. Practices can occur between 4:30 - 7 p.m. Monday through Friday at the coach's discretion.

Lacrosse

Windsor Bulldogs Lacrosse

Windsor Bulldogs Lacrosse participates in the Colorado Youth Lacrosse Association (CYLA). As part of the CYLA, games are played all along the Front Range, including Fort Collins, Loveland, Longmont, Denver, Aurora, Arvada, and Colorado Springs. The registration fee includes CYLA enrollment (covers game fields, officials, and organization fees), coaching, home fields, team shorts, and jersey. Team uniforms are purchased separately; contact your team's coach for uniform pricing and details.
